### **FESTIVALS / TOURNAMENTS**

#### How to book a festival or tournament:

Source available sanctioned festivals or tournaments from the OSA website <http://ctms.ontariosoccer.net/>.

#### Tournament Directory (Click Twice)

#### List of sanctioned Festivals and Tournaments in Ontario

- Select tournament directory again
  - Register (new user) or login to the CTMS (Competition and Travel Management System) but you can also browse the listings without signing in
  - Use dropdown boxes to refine your search. You do not need to fill in all of the boxes to search
1. Apply for your festival or tournament that you want to attend by clicking on the website link in the tournament/festival listing and follow the tournament instructions for the application form and roster details as required
    - Once completed, forward application to NDUFC Club Administrator for approval and processing of payment to the festival/tournament organizer. Please include the amount of the tournament entry fee, mailing address of the festival/tournament and deadline date.
  2. For U8 teams, traveling is not allowed and you must therefore attend festivals within the Durham region. For U9 and older teams, if this is an out of region festival/tournament, an additional form is required. An APPLICATION TO TRAVEL (ATF) must be submitted for approval by the NDUFC Club Administrator and the DRSA. This is done through the CTMS system by clicking on the festival or tournament that you are applying to and completing the ATF which is submitted electronically. Double check your ATF before submitting as it will be rejected by the DRSA if there are mistakes or missing info. Make sure that any fields that were populated by the system are correct (eg., in the field for City, if the system fills in as various fields in Niagara Falls and you don't change the entry to Niagara Falls, it will be rejected by the DRSA and you will have to resubmit the ATF.

3. Once approved, you will receive notification by email and the approved ATF will be available on the CTMS system and must be submitted to the festival or tournament organizer. (Instructions will be on the festival/tournament website)
4. Please allow a minimum of 2 to 4 weeks to process. Make sure to apply early to meet the festival/tournament application deadline.

If Call-Ups are required to fill your tournament Roster:

1. Players used for call-ups must be registered with NDUFC in a lower division OR registered with one of the houseleague groups from Uxbridge, Scugog or Brock.
2. Players from houseleague will require an UPDATED player book.  
NOTE: call up players can ONLY play 6 games MAXIMUM throughout the season (does not include tournaments)

On Tournament Weekend:

1. Manager will be informed of tournament requirements by email from the tournament organizers or available on their tournament website. It is helpful to put together a tournament weekend folder (waterproof) containing your tournament registration information, approved ATF, tournament roster, game sheets, field map(s), and player books so that you have everything together for registration and games.
